Tours for PYFA 2022 Winter Conference

Sunrise Soap Company- Artisan Soap maker who opened her first York brick and mortar store in 2005. In 2010 they were named a York County Factory Tour Destination with all products they make being produced in their visitor friendly kitchen.

Central Market House- Attendees will visit the historic, 125-year-old building that hosts as the York Central Market. Visitors can browse the wares of over 50 vendors of locally grown and produced items.

Agriculture and Industry Museum- Visitors can view exhibits and learn about everything from rotary phones, casket making, grist mills, to ammonia compressors used to make ice in the early 1900's. The museum highlights over 300 years of York Counties progress and contributions to the Ag, Transportation and Manufacturing Industries.

Perrydell Farm and Dairy- Perrydell began in 1963 and sits on 170 acres. They bottle their milk and make all of their ice cream on-sight. Their farm store offers dairy products, baked goods and one-of-a-kind gifts. As of 2021, the operation supports three households with 120 cows milk!
