Tours for PYFA 2024 Winter Conference

BRIGHT FARMS- The largest greenhouse farm opened in Selinsgrove, PA. At 280,000 square feet, this farm supplies Pennsylvania and the New York City metro area with the freshest, tastiest, and most responsibly grown baby greens!

WEAVERS ARCHERY – A pro shop featuring over 2,800 sq ft of archery equipment.

SUN AREA TECHNICAL INSTITUTE –Career and technical education that gives students the tools they need to succeed in the competitive world of work. Including Adult programs. Nineteen different trade programs in this facility. We will have the pleasure of enjoying lunch at the Bistro prepared by the students in the Culinary Arts program.

OLD MILL CREAMERY-A historic 190-year-old mill turned into a charming old-fashioned ice cream sensation! Fresh dipped ice cream in many delicious flavors, homemade waffle cones are beyond words and the atmosphere makes this a pretty cool place to visit. You will be able to purchase ice cream on your own when we visit. You will not be disappointed.

Spouse Event – Painting to put us in the mood for spring with Andrea Seebold from Farm Lane Crafts and Designs. Get your creative abilities flowing with your one-of-a-kind artwork. Then enjoy some shopping at the Street of Shops or the Roller Mills Marketplace (at your leisure).
