Ladies Program

Spouses are in for a treat on Wednesday. They will be able to attend a local favorite, Patches Family Creamery, where they will see lots of farm fresh products, even ice cream. The Patches' mission statement is: "We as a family along with our helpers look forward to serving you our community with high quality, farm fresh products that will enhance your table and enable you to directly support agriculture in Lebanon County , PA. We as a Christian Family pray that our family and helpers will be a shining light in our community." Ladies will be able to eat their Ice Cream right in the store and view through the large windows how the processing take place.

They will then tour Wertz Candies. The Wertz family has been making candy in much the same way since the company was founded in 1931. Candies are handmade using fresh ingredients according to time-tested formulations which have been handed down through generations. They have a wide selection of chocolates which are generally available in a choice of milk or semi-sweet chocolate, including our popular nonpareils which are available throughout the year in seasonal colors. In addition to the selection of chocolates there is also caramel, fudge, and caramel corn.

The last stop is the Cottage Boutique. The Cottage Boutique is newly owned and has local artisan created vintage and up-cycled home decor, furniture, jewelry, pottery and hand sewn gifts featuring modern farmhouse and bohemian styles. Products they have are: Home Decor, Furniture, Jewelry, Florals, Pottery, Soy Candles & Body Scrubs, Outdoor & Garden Decor, Baby Gifts, Wedding Gifts, Rustic Lights and more.
